Personal Projects

GRAYSCALE

This template originates from StartBootstrap. I recreated it using plain HTML and CSS, making slight modifications to give it a unique appearance compared to the original. I have deployed the website on GitHub Pages.
https://v-tamil.github.io/grayscale-website/

MERN MEDIA

MERN is a fully-fledged social media web application. In MERN, users can create posts, like and comment on others' posts, and follow people to view their updates. It also features a chat function for communicating with friends.
